1. A Booking Fee of \$200.00 of the above fee is payable with this contract and the balance of \$550.00 plus all unpaid expenses will be payable upon receipt of an invoice or when the mare leaves the farm, whichever is first. The Breeder requires 48 hours advance notice when the Mare Owner wishes to remove his mare(s) from the farm. This will allow us sufficient time to prepare the required health papers and final statement so the Owner may settle his account. The booking fee is non-refundable. 18% interest per annum will be charged on all accounts in excess of thirty days. This contract is governed by the laws of the state of Minnesota.
2. A photostatic copy of registration papers (both sides), a veterinarian's health certificate, worming, and immunization records shall accompany mare. If these are not presented upon mare's arrival, the Breeder shall have the attending veterinarian make proper tests and evaluations at the Mare Owner's expense. Mare (and foal, if applicable) will be periodically vaccinated and wormed as deemed necessary by our veterinarian at Mare Owner's expense. Flu and pneumobort K vaccine must be given before the mare arrives. A current Coggings Test shall be furnished upon delivery of mare to the breeding farm. It is recommended that mares be wormed within 60 days of entering the farm.
3. The Mare Owner shall agree that each mare offered for breeding shall be in sound breeding condition and free from infection or disease. Any mare certified by the attending veterinarian not to be, in his opinion, in sound breeding condition shall not be bred. A Mare Owner may substitute another mare within that breeding season.
4. The Breeder agrees to diligently try and settle the above named mare and shall have sole discretion of determining the best method of breeding such mare. If, however, the mare does not settle, the Breeder shall not be held harmless. There will be no guarantee of a live foal for any mare leaving Wohlin-McNamara Quarter Horses before being checked safe in foal by the attending veterinarian.
5. Live Foal Guarantee. Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal, or if the foal is stillborn, **A RETURN SEASON WILL BE GUARANTEED THE FOLLOWING YEAR ONLY**, providing notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within 7 days that the mare has slipped or produced a Non-Viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Owner subsequent to the mare's departure from Wohlin McNamara Quarter Horses. Booster Rhinopneumonitis be administered as indication by the individual drug manufacturer as the mare progresses through her pregnancy. Failure to do this will void live foal guarantee.
6. Rebreds are subject to an additional chute fee plus any increases in breeding fee. No live foal guarantee on third year rebreds.
7. Color Guarantee: Rebreed in _____ only with _____ chute fee.
8. All mares must be broke to lead and tie.
9. It is further agreed that should the mare die during the breeding season than the mare owner may substitute another mare to breed.
10. It is agreed that should the stallion die, or become unfit for service this breeding contract shall be null and void. Any breeding fee which has been paid will be refunded.
11. Waiver of Liability. It is understood the breeding farm, its owners, stallion owners, employees, Veterinarians, and guests shall not be liable for any injury, escape, disability, or death of any horse on its premises. The above named Mare Owner, whose horse(s) are under the care of Wohlin-McNamara Quarter Horses will not be liable or responsible for any damage, injury or death to the breeding farm stallions, employees, veterinarians, or other animals in the care of Wohlin-McNamara Quarter Horses, whether or not caused by his horse.
12. When the above named Mare Owner signs and returns one copy of this contract to the Breeder, it will then be a binding contract on both parties, subject to the above terms and conditions. This contract is not valid unless completed in full.
